

Tutorial 06: Borders and Styling			
Learn how to customize cell borders, including colors, widths, and selective borders.			
Default Borders			
By default, all cells have 1pt black borders:			
Cell 1	Cell 2	Cell 3	
Border Width Variations			
Thin (0.5pt)	Normal (1pt)	Thick (3pt)	
Thin Border	Normal Border	Thick Border	
Border Colors			
Red	Blue	Green	Purple
Red Border	Blue Border	Green Border	Purple Border
Selective Borders			
Control which sides have borders:			
Top Only	Bottom Only	Left Only	Right Only
Top Border Only	Bottom Border Only	Left Border Only	Right Border Only
No Borders			
Cells can be created without any borders:			
No Border	No Border	No Border	
Combined Styling Example			
Combining borders with colors for visual effects:			
Important: Highlighted Cell		Warning: Alert Cell	

Outer Border Only Example		
Cell 1	Cell 2	Cell 3
Cell 4	Cell 5	Cell 6
